

Act fast to get \$300 cash from SingSaver this 11 November

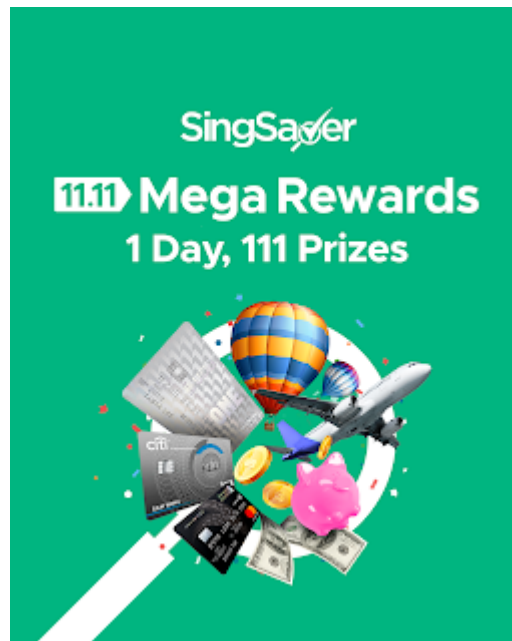

Description

Get \$300 if you're the first 50 to apply for a relevant credit card with [SingSaver](#) this 11.11.

If you're intending to get any of the following credit cards soon, you might as well wait until 11 November to apply.

- [Citi PremierMiles Visa](#)
- [Standard Chartered Unlimited Cashback Card](#)
- [UOB One Card](#)

Reason being, SingSaver's 11.11 Mega Rewards Campaign will be live then, and the promotions offered are too good to ignore.

Be among the first 50 credit card applicants, 50 travel insurance buyers and 11 personal loan applicants to qualify.

If you're fast enough, **[the first 50 approved applications](#)** then for these 3 particular credit cards **will get \$300**. This is for both new and existing customers, so if you're the latter, this is your chance to grab.

New-to-bank customers get at least \$100 – \$280 too, guaranteed. You're considered a new customer as long as you don't currently hold a card from the issuer or **in the past 12 months**.

And if you're travelling overseas anytime soon, you can **get \$30 from being the first 50 successful applicants for [any travel insurance from MSIG, AXA or Allied World](#)**.

Simply apply through their 11.11 campaign page here to get your hands on the cash.

	First 50 approved Credit Card applications (Promo Prize)	51st approved CC applications onwards (BAU Reward)	
Credit Cards	New to Cardholders & Existing Customers	New Customer	Existing Customer
Citi PremierMiles Visa	SGD 300	SGD 280	SGD 30
Standard Chartered Bank Unlimited Credit Card		SGD 200	SGD 50
UOB One Card		SGD 100 (New to Bank only)	SGD 20

Make sure you complete and **have your application approved** by the respective providers by 30 November 2019 latest, and **complete the Rewards Redemption Form** on SingSaver to get your cash prize.

You will only receive one promo prize, regardless of how many applications you make. SingSaver's partners, vendors and employees (and past employees) are also not eligible for this promotion. For all other T&Cs, please refer to the campaign website.

The promotion runs on 11 November from midnight to 23:59 hours.

By now, regular readers should be familiar with how I almost always apply for any new credit card directly through SingSaver, because if you're savvy enough and apply at the right time with them, their promotions are among the best for any new sign-ups.

This is one of those times. So go ahead and make sure you **[camp here for that cash](#)**.

May the fastest fingers win.

With love,
Dawn
