Description

It has been a long-standing tradition of mine over the last decade that once a year, I'll carve out some time to hold a free Investing 101 workshop for my readers. This is my way of giving back, and I hope that it'll help you kickstart your investing journey – especially if you're clueless / overwhelmed and have no idea where to begin.

If you wish to get informed on the next workshop so that you can join in, make sure you join my (free!) community [here](#) to get first dibs on all my events, workshops and freebies.

With love,
Dawn
