My beautiful Cinderella topper cake.

And my life-sized Cinderella carriage!!!!

"I've known him for so many years but never seen him dance", said our Pastor aka his good friend.

Our photographer captured so many beautiful and raw moments!

Listening to the Pastor's message.

WE GOT TO BE CINDERELLA AND PRINCE CHARMING FOR ONE DAY!

With my best university sister, Joyce! She did soooo much on my wedding day! So thankful for this woman.

With my parents who have raised me for the last 20+ years, and my mom who worked so hard getting everything ready for this wedding just so her daughter can get married well and live in bliss.

So much feelz.

My Disney moment in the morning before the Cinderella dinner affair.

My pretty bridesmaids bouquet!

THIS WAS THE BEST DISH OF THE NIGHT. Remember how I was raving about this after my food tasting session? Yesterday I told my bridesmaids when they told me I needed to eat :

"I want the beef from the live carving station! And the dessert! Nothing else matters!!!"

ð???ð???

My handsome groom.
