

ROM Collection Day!

Description

It is ROM COLLECTION DAY!!! ㄟ??

Am I dreaming or is this reality.

???

Yesterday the silly boy panicked over our brothers' wedding car flowers and got one of his groomsmen to go buy from a florist, who quoted us \$80 for 24 ribbons!

SIAO OR WHAT car ribbons so easy to make (just bunch tulle and tie down the middle) and he wants to pay so much money?!?! Plus we already had 10 ribbons!We had an argument over this and only 30 min later after I stood my ground did he realise I was right after all -.-

ㄟ??: "I don't care already I'm just going to throw money at the problem to solve!"

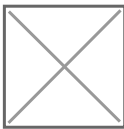

ㄟ??: "SIAO AH \$80 WASTE MONEY I work so hard to earn money then you want to throw!?!? Why don't you give me that \$80 instead I make for you in less than an hour!"

ㄟ???ㄟ???ㄟ???ㄟ???ㄟ???ㄟ???ㄟ???

Hours after that he was laughing and saying heng I stopped him ㄟ??? see la see la.

What will he do without me lol

ð??³ð??³ð??³ no?!?!

ð?? : please read out this statutory declaration

đ???: stumbles on his words. Long pause as he didn't know how to pronounce conscientiously

đ???: conscientiously

đ???: oh haha oops đ???

Very thankful for my US bestie. She's been helping us out the entire week with the packing of wedding favours for over 200 guests, decorating my room so that it looks presentable for the AD morning video and photos, and also painstakingly drawing out our giant seating plan using rulers and 20 cent coins đ???

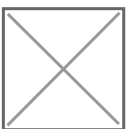

I doubt I would have been able to complete so much if it weren't for her help! Thank God for this girl.

â??â??â??â??

I bought the Nubra from Qoo10 (should technically call it Freebra) after reading recommendations on the BB Facebook group that it was good and cheap, and I REGRET IT.

We practiced the first dance choreography and about 10 min in, I was starting to perspire when suddenlyâ??POOP! My silicon stick on bra fell down and out of my shirt đ???"đ??±đ???

How to survive my wedding day with this kind of lousy bra you tell me! Luckily we bought extra as back ups!!!!

My penpal of 15 years is finally here in Singapore!! Throwback to when I visited her in Australia a few years ago.

Just finished setting aside our ang paosâ? We've got 24 helpers to give! Omg didn't realise this would be one downside of having a large bridal entourage đ?? ahhhh but never mind bah since good friends? đ??,đ??,đ??,
